

## Be a Friend

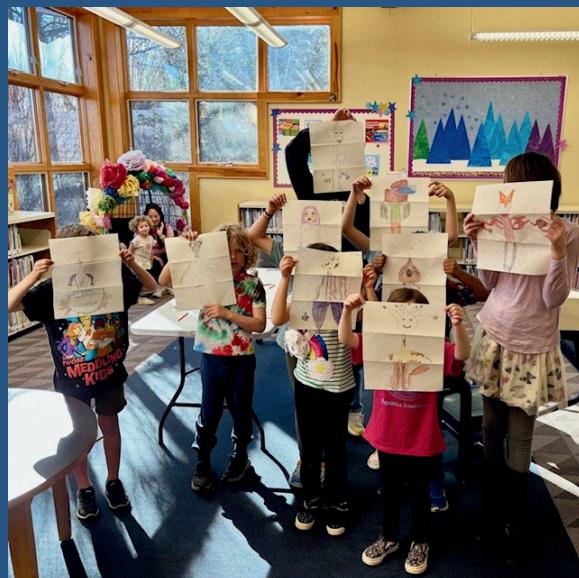

Friends of Fairview Library formed in the late 1990s to support the construction and landscaping of the Fairview Public Library. Since then, it has grown into a vibrant community group.

The Friends of the Library raise major funding for:

- Programs for children and adults
- Special Events
- Community Outreach
- Needs not covered by the library budget

## Our Goals

- Increase funding for materials and programs outside of the library budget.
- Expand our community of people who support the library with their time, talents and funds.
